

Dear Sir or Madam,

I would like to apply for the warehouse worker position you advertised. Through my practical experience in Ukraine and the Czech Republic, I have acquired the necessary knowledge and motivation for this role.

My responsibilities included unloading and loading packages, sorting and labeling, as well as operating an edge-banding machine. This has taught me to work precisely and reliably, both independently and as part of a team.

I am eager to contribute my energy and commitment to your team. I would be pleased to attend an interview.

Sincerely,
Artur Sorokin
